- Comprehensive range of spare parts are available
- Every 3S Chain Block Steel Pro 250kg is identified with its own serial number that relates directly to a test certificate

PRODUCT CODE		505025
Working Load Limit	(WLL)	250kg
Colour	-	Silver
Standard Lift	m	1.5
No. of load chain falls	-	1
Effort on lever to lift full load	N	240
Load Chain Diameter	mm	4x12
Extra weight per meter of extra lift	kg	0.88
Headroom	H mm	285
	A	125
	B	116
	C	25
Net Weight	kg	4.86

Complies to AS1418.2
