

# MULTITEK 240GSM PPE 2 STRETCH

New & innovative **MULTITEK FR STRETCH** trouser is designed to stretch as your workers move and bend, giving them greater comfort & mobility as they work, day in and day out. Along with the added benefits of Lenzing FR, excellent breathability and moisture management properties with 3% FR elastane, all woven into a ripstop finish to reduce tearing 'ENJOY THE COMFORT & PROTECTION of MULTITEK FR STRETCH'

## NEW & INNOVATIVE

**MULTITEK FR** trousers are produced with FR segmented tape to keep the garment light & allowing the garment to stretch.
