uvex aquarius

Protect your eyes without compromising on style or comfort with the uvex aquarius safety glasses. Designed for professionals who demand the best in both safety and performance, the aquarius series delivers advanced protection in a sleek, lightweight frame perfect for those long, hard days on site to your weekend adventures.

- Robust polycarbonate lens with anti-fog and anti-scratch properties
- Rubberised edge on the side arms for maximum comfort
- Soft nose pad for a comfortable, pressure free fit
- UV400 - 100% protection against dangerous UV radiation
- Maximum coverage with an 8 base curved lens
